- love shared for all.

1. Would you have cried tears for the young man
As he hung upon the cross?
Joined with his mother
As she grieved upon her loss?

Chorus:
Dark skies above, soft rain drops fall;
Weep for this love shared for all.

2. Would you have cried tears for the young man
Or been curious about his death?
Kept a safe distance
Until the final breath?

3. Would you have cried tears for the young man
Or simply stayed away?
That Sunday of Hosannas
Just another day?

4. Would you have cried tears for the young man
Or joined in the jeers?
Or nailed him to the cross?
Or thrust the final spear?

5. Would you have cried tears for the young man
Or stood there overawed
By this sacrifice for you
From the one true living God?

Final Chorus:
Lord God above, on knees we fall,
Thanks for His blood shed for all.
