MID 8

thought the world would stop, but life goes on; I thought I'd fall a-part, - but the

birds still sang a song; - - I want-ed to be weak, - but in - stead I felt so

strong; A smile did not seem right, but tears felt wrong.

CHORUS

What are you try-ing to tell me? What do you mean to say? - Can it real-ly be - so

sim-ple? - - Stay as close as you - are now, - Don't go wan-der-ing - too far, -

- - So that's all right - then, Ev' ry thing's - O. K. Ev' ry thing's - O. K.
